

# I Don't Wanna Know

Charli XCX

Lying in silence, you were a diamond, bright  
Yeah, I'm touching my fingertips, meltin' into the night  
Oh, secrets are locked up, prison cell in your mind  
Kisses fall on her lips, kisses that should be mine

Yeah, I don't wanna know  
I don't wanna know  
I don't wanna know  
Why you do what you doin'  
Why you do what you do  
I don't wanna know  
I don't wanna know  
Why, oh love? Why oh love?  
Why, oh love?

I know I'm losin' you  
So come on, tell the truth  
Don't you tell me you're sorry  
Don't pretend you still want me

'Cause I don't wanna know  
I already know  
Why you do what you doin'  
Why you do what you do  
Oh, oh  
Why you do what you do  
Why you do  
Oh, oh, oh

Fightin' the tears back  
Fightin' to make you stay  
Screamin' at angels  
Holdin' on one more day

Secrets are locked up, prison cell in your heart  
Yeah, kisses fall on her lips, memories left behind

I don't wanna know  
I don't wanna know  
I don't wanna know  
Why you do what you doin'  
Why you do what you do  
I don't wanna know  
I don't wanna know  
Who you love, who you love  
Why, oh love?

I know I'm losin' you  
So come on, tell the truth  
Don't you tell me you're sorry  
Don't pretend you still want me

'Cause I don't wanna know  
I already know  
Why you do what you doin'  
Why you do what you do

Oh, oh  
Why you do what you do  
Why you do  
Oh, oh, oh
