Charli XCX

Be sure you know what you are after  
Open up every scar  
I've been known to strike like disaster  
They say I hit hard  
Think anyone, anyone but you  
Anyone, anyone but  
Think anyone, anyone but you should of known what you were after when you fell in love

The interior design, of my heart  
(Fell in love)  
The interior design, of my heart  
(Fell in love)  
The interior design, of my heart  
(Fell in love)  
The interior design of my heart

Now I've got you where I want you  
Never say you were not warned  
I'll make you wish you were never born  
The harder you fight, the harder you fall  
Think anyone, anyone but you  
Anyone, anyone but  
Think anyone, anyone but you should of known what you were after when you fell in love

The interior design, of my heart  
(Fell in love)  
The interior design, of my heart  
(Fell in love)  
The interior design, of my heart  
(Fell in love)  
The interior design of my heart

Thought I was processed, thought i was packaged  
Just like an apple pie wrapped in the plastic  
Got love but you're never gonna have it  
Fell so hard like Alice and the rabbit  
Locked down, can't move  
Now you don't know what to do  
Took a bite of the apple, went straight to the core  
Fell in love with my interior

Think anyone, anyone but you  
Anyone, anyone but  
Think anyone, anyone but you should of known what you were after when you fell in love

The interior design of my heart  
(Fell in love)  
The interior design of my heart  
(Fell in love)  
The interior design of my heart  
(Fell in love)  
The interior design

When you fell in love, fell in love

Fell in love, fell in love
