

## Rewind featuring bladee

Charli XCX

Sometimes, I just wanna rewind  
Wanna turn back time to a different time, oh  
Sometimes  
I just wanna rewind, I just wanna rewind  
I just wanna rewind (Press rewind)

Maybe I need a reality check  
Sometimes now I just gotta say less  
Count so well, drew lines on my chest  
When I look in the mirror, I don't see no reflect  
All this money makes me competitive  
Gotta get more, living all excess  
I must confess, I'm under stress  
Turn back the time again

I must confess, I'm under stress  
I'm under pressure in my head  
I'm six feet down beneath myself  
I'm tryna catch up with my breath  
Even with everything on deck (Yeah, yeah)  
I'm only thinking about less  
Thinking how to move like chess (Yeah, yeah)  
The mirror leaves me unimpressed

Maybe I need a reality check (Yeah, yeah)  
Sometimes now I just gotta say less  
Wanna see my face all up in the press  
When I don't, sometimes I get a little bit depressed (Uh-huh, uh-huh)  
L.A. makes me so competitive  
Sometimes I wanna wake up dead  
I must confess, I'm under stress  
Turn back the time again

I'm in the hills, perfectly still  
The sun is setting in my will (Yeah, yeah)  
My mind is split up like two bills  
I pay for everything myself  
I kill for everything I feel  
360, find a way to deal  
The shadow spreads across the field (Oh)  
I wanna rewind on the real (Press rewind, yeah)

Yeah, press rewind  
Yeah, bring the beat back  
Press rewind, yeah  
Yeah, press rewind  
(Yeah, yeah)  
Requiem for everything  
Rewind, remind me  
Requiem for everything  
Rewind, remind me  
Requiem for everything  
Rewind, remind me (Yeah)  
Requiem for everything (Yeah, yeah)  
Rewind, remind me (Yeah, yeah)
