

Rewind

Charli XCX

Sometimes, I just wanna rewind
Sometimes (Sometimes, sometimes), I just wanna rewind

I'd go back in time to when I wasn't insecure
To when I didn't over analyze my face shape
Nowadays I only eat at the good restaurants
But honestly I'm always thinking 'bout my weight
I used to never feel embarrassed
Feel embarrassed when I call up the paparazzi
Everyone else does it constantly
I hate these doubts that keep running through my mind
Sometimes I really think it would be cool to rewind

Sometimes, I just wanna rewind
Sometimes (Sometimes, sometimes), I just wanna rewind

Used to burn CDs full of songs I didn't know
Used to sit in my bedroom putting polish on my toes
Recently, I've been thinking 'bout a way simpler time
Sometimes I really think it would be cool to rewind

I used to never think about Billboard
But now I've started thinking again
Wondering 'bout whether I think I deserve commercial success
It's running through my mind
Sometimes I really think it would be cool to rewind

Sometimes, I just wanna rewind
Sometimes (Sometimes, sometimes), I just wanna rewind

Sometimes-
Ti-

Sometimes, I just wanna rewind
Wanna turn back time
To a different time, oh
Sometimes
I just wanna rewind
I just wanna rewind
I just wanna rewind

Press rewind, yeah
Yeah, press rewind, yeah
Bring the beat back
Press rewind, yeah
Yeah, press rewind
