

## Secret (Shh)

Charli XCX

You good girls shouldn't party  
We do what we supposed to do  
Speak but never shout it  
Get home, be in bed by two

But I don't wan' follow that, that no more  
I see myself all over you for sure  
You got me breaking all the rules  
Let go, let go

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know 'bout you  
No one gets to know 'bout, shh  
Shh  
Shh  
Shh  
Shh

Please don't tell nobody  
I'm ready to climb the walls  
I know that you want it  
I'm ready to give it all

I feel like an animal, on all fours  
I see myself all over you for sure  
You got me breaking all the rules  
Let go, let go

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know 'bout you  
No one gets to know 'bout, shh  
Shh  
Shh  
Shh  
Shh

Under the glimmering lights, my secrets out  
Now I got nothing to hide, come tear me down  
Shimmering all through the night, I'm tempted by you  
It's all true, oh  
Na na na no one gets to know 'bout you  
Na na na no one gets to know 'bout  
Know 'bout you, you, you, you  
No one gets to know 'bout you  
Na na na no one gets to know 'bout shh  
Shh

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know 'bout you  
No one gets to know 'bout, shh
