

Track 10

Charli XCX

(I just wanna drink you up)

(Lo-ove, I do
Lo-ove, I do

I blame it on your love
Love...)

Every time you get too close I run-a-run away
And every time you say the words I don't know what to say, babe
Back to the beginning, really wish that I could change
I do, I do (I do)
Every time you get too close I run-a-run away
And every time you say the words I don't know what to say, babe
Back to the beginning, really wish that I could change
I do, I do, I do

I blame it on your love
Every time I fuck it up
I blame it on your lo-ove, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your lo-ove, I do
I blame it on your love
Every time I fuck it up
I blame it on your lo-ove, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your lo-ove, I do

Sorry, I'm a little scared
But no one ever really cared
I took you for granted
Just a big misunderstandin'
I just want to spend the night
Fuckin' in your bed tonight
Watch a little TV
I love it when you need me

I blame it on your love
Every time I fuck it up
I blame it on your (lo-ove, I do)
I blame it on your love
I can't help it, I can't stop
I blame it on your (lo-ove, I do)

Every time I fuck it up
I blame it on your (lo-ove, I do)
I blame it on your love
I can't help it, I can't stop
I blame it on your (lo-ove, I do)

Every time I fuck it up
