Step out of that limousine  
We walk in and we flossy  
Your B keep it bink and we bossy  
Hey, it's like I told you so, number one

Take the crown, shut it down, 'bout to steal the show  
Shooting star, I'm a boss, Marilyn Monroe  
All the girls 'round the world, now we in control  
All the girls 'round the world, one, two, three, let's go  
Take the crown, shut it down, 'bout to steal the show
