

# Skateboard Amor Eterno

Charlie Brown Jr.

Ladies and gentleman  
I would like to present:

Skate Vibration, Charlie Brown!

Straight out from the hood, Sacramento!  
And we now are Green Goes!

You know that I know and I know that you know  
That you don't want it! You don't want it!  
I know that you know and you know that I know  
That you don't want it! You don't want it!  
Tell me if it's real, if is really real  
Let me know is real yo! So what's the deal yo!  
Tell me if it's real, if is really real  
Let me know is real yo! So what's the deal yo!

Give what you got, by giving it all away  
Give what you got, by giving it all away

Gotta keep what you got

'Cause  
And the music is hard

Can you feel what...?

De skate eu vim, de skate eu vou!  
De skate eu vim, de skate eu vou!

Tell me if is real, if is really real  
Let me know is real yo, ...  
Tell me if is real, if is really real  
Let me know is real yo, ...

Give what you got, by giving it all away  
Give what you got, by giving it all away

Strange is the way I feel now  
I feel strange but I won't change  
'Cause I want to be myself

Strange is the way I feel now  
I have given my all into the end  
Please I want to be myself

Já lancei no muro, rabisquei no caderno, tatuei na pele  
Skateboard amor eterno!

Old school, new school, old way, stay whill!  
Old  
Tell me if is real, if is really real  
Let me know is real yo, ...  
Tell me if is real, if is really real  
Let me know is real yo, ...

Give what you got, by giving it all away

Give what you got, by giving it all away

Strange is the way I feel now  
I feel strange but I won't change  
Please I want to be myself

Strange is the way I feel now  
I have given my all into the end  
Please I want to be myself

Strange is the way I feel now  
I feel strange but I won't change  
Please I want to be myself

Strange is the way I feel now  
I have given my all into the end  
Please I want to be myself

Tô mais perto da revolta do que da revolução  
Conspiração do novo joga irmão contra irmão  
Eu não saio do movimento, sou um cara do movimento  
Que faz acontecer, não tá perdido no vento!
