

## Did Something Change?

Charlie Burg

I need you today  
Thinking bout the time we swayed  
As the melody played  
How can you wrap him in your arms  
When I was the one you said that you loved?

Did something change?

I need you today  
Thinking bout the time we swayed  
As the melody played  
How can you wrap him in your arms  
When I was the one you said that you loved?

Did something change?
