

# Mississippi

The Charlie Daniels Band

Mississippi  
You've been on my mind  
Like a mist in the morning  
From some dream I've left behind

Mississippi  
I've been kinda down  
Because it's been such a long time  
Since I've seen old Jackson town

I could be on the other side of the world  
But in my memory, all I can see  
Is Spanish moss hanging from a live oak tree

Mississippi  
Save a place for me  
I'll be coming home again (coming home again)  
Mississippi, until then (until then)  
You'll be on my mind

I'll be coming home again (coming home again)  
Mississippi, until then (until then)  
You'll be on my mind
