

# Tribulation

The Charlie Daniels Band

In the Holy Bible it tells us of a day  
When the beast shall walk among us and many shall fall away  
Famine war and desolation nation rising against nation  
Trouble everywhere you turn  
As in the time of Noah in the days before the flood  
Sin will cool the love of man and the streets will run with blood  
Rape and murder grief and sorrow just like Sodom and Gomorrah  
This world is gonna burn

I believe that we are living in the days John wrote about  
The end times are upon us and of that there is no doubt  
Get your mind out of the world and take your Bible off the shelf  
Read the book of revelations for yourself  
(Tribulation) I don't want to be here  
(Tribulation) when that flaming star comes down  
(Tribulation) when the seven seals are broken  
And the seven vials are opened and the seven trumpets sound

As quick as lightning streaks from east to west across the sky  
God's faithful ones will disappear in the twinkling of an eye  
Many are called but few were chosen  
Brother don't let your heart be frozen don't you want to go  
This world will be in bondage under Satan's evil power  
The antichrist will rule until that final glorious hour  
When pain and sorrow disappear and God will wipe away all tears  
Joy forever more

I believe that we are living...

I believe that we are living...
