

# He's Not Here

Charlie Daniels

Judas Iscariot how did you feel as you watched them take him away  
And you Simon Peter what did you think when you betrayed him at  
the break of day  
Did your heart break down inside from the bitter tears you cried  
Did you think that all was lost as he hung there on the cross  
Did you think he'd deceived you or did you believe  
The things he told you just before he died why'd you run and hide

John the beloved where was your heart as you waited the lonely  
night through  
Were you afraid now that Jesus was gone the Romans were coming  
for you  
Did you cringe in fear and shock when you heard that fateful knock  
And the shout rang through the room that he was not in the tomb  
As you ran to the grave and entered the cave  
And found the stone had been rolled away what did the angel say

(He's not here he is risen he is not among the dead  
He has sealed Jehovah's covenant he has crushed the serpents head  
He has conquered death hell and the grave now the old debt has  
been cleared  
He's not here he's not here)

Brothers and sisters where will you be when he makes his triumphant  
return  
He's calling to you his salvation is free can't be bought confiscated  
or earned  
Though your sins be scarlet red like the Holy Bible says  
Come and stand beneath the flow and be washed as white as snow  
Then join in the chorus proclaiming the joyous  
Praises to the King of Kings lift up your voice and sing

(He's not here he is risen...)
