

## Heart Of My Heart

Charlie Daniels

I was blinded by bright lights  
Lost in the darkness  
And sin kept my life in a whirl  
Lust, greed and money and sensual pleasures  
Mark the boundaries of my narrow world  
I was headed for hell but as far as I fell  
Your Spirit still followed me down  
Then when I hit the bottom and cried out for mercy  
You picked me up off the ground

Heart of my heart, rock of my soul  
You changed my life when You took control  
Thy will be done, God's only Son  
Faithful and true  
Lord of all Lords, King of all Kings  
The sweet sacrifice of praises we bring  
Worthy's the Lamb, all that I am  
I give to you

Satan kept telling me that it was too late  
I'd committed the unpardonable sin  
But I knew he was lyin' when I felt conviction  
Tug on my heart strings again  
I'm not proud of the past but I can't do a thing  
To make up for the time that I've lost  
Now my heart and my soul  
And what life I have left  
I lay at the foot of the cross

Heart of my heart, rock of my soul  
You changed my life when You took control  
Thy will be done, God's only Son  
Faithful and true  
Lord of all Lords, King of all Kings  
The sweet sacrifice of praises we bring  
Worthy's the Lamb, all that I am  
I give to you

I give to You  
Heart of my heart
