

Two out of Three

Charlie Daniels

D G D Bm D A D

D

I've been thinking back over my life,

G

D

And some of the questions I've had.

I've thought about living,

Bm

I've thought about dying.

E

A

And what makes me happy or sad.

D

Well most of my questions I've kept to myself,

G

D

Like, "Why in the world was I born?"

Bm

But the number one question I'd like to ask,

D

A

D

I'd like to ask of the Lord.

D

Jesus how could You love me,

G

D

Oh sweet Jesus how could You love me.

Bm

Cause when I had a choice between good and bad,

D

A

D

I picked bad two out of three.

D

What makes a man start looking around,

G

D

When he's already got a good wife.

Bm

What makes a man pour drink from a bottle,

E

A

When he knows it can cut like a knife.

D

Tho' some are called good,

Some are called bad,

G

D

We have all been tempted and charmed.

But all of us sinners,

Bm

D

A

D

The man in the sandals will welcome right back in his arms.
