

Stutterin' Cindy

Charlie Feathers

Let me tell you 'bout a real gone chick
I see her every night
And boy, I'd like to hear her say
When she holds me tight
She's stutterin' Cindy, boy she sends me
When she says to me
Baby-baby-baby-baby-rock
Rock-a-me-baby, baby-baby-baby-rock
Mm-mm-mm, rock-a-me-baby
Stutterin' Cindy, yes she sends me wild
Let's go, once, ah-ah-ah, git!
Well, we go out every night
We really have a time
She can rock 'n' roll, she can walk 'n' stroll
And really do it up right
Well, she gets so gone and so excited
That's when she says to me
Rock-a-me-baby, baby-baby-baby-rock
Rock-a-me-baby, baby-baby-baby-rock
Ah-ah-ah, rock-a-me-baby
Stutterin' Cindy, yes she sends me wild
Well, late in the evening about sundown
We go to her house, we're gettin' ready to clown
We out out, later in the day
That's when I'll hear that woman say
Yeah-yeah-yeah-yeah
Rock-a-me baby, baby-baby-baby-rock
Rock-a-me-baby, baby-baby-baby-rock
Ah-ah-ah, rock-a-me-baby
Stutterin' Cindy, yes she sends me wild
Stutterin' Cindy, yes she done sends me wild
