

That Certain Female

Charlie Feathers

Well
Ah huh-uh-uh-huh, oooow!
Yeah!

Well I'm a just a single fella
With a lot on my mind
And I'm a lookin' for me a woman
But she's mighty hard to find
Oh, I asked my country cousin
Check the hottest spots in town
Oh that little-bitty woman
Well she just ain't around

Ooww! Hey, hey, ho!

Oh I'm lookin'
Lookin'
Searchin' high and low
Don't want to miss a spot
Keep it on the go

Waitin'
Watchin'
This woman's gotta show
I need this little bitty woman
How much you'll never know

OOOOOOWW!!

Yes!
Do it!
Do it twice!
Woo!

Well I'm a just a single fella
With a lot on my mind

I said I'm lookin' for me a woman
She's mighty hard to find
I asked my country cousin
Where's she hangin' out
Lost this little bitty woman, she's just outta sight

Oh ho ho Ho!

Oh I'm lookin'
Lookin'
Checkin' high an' low
Don't want to miss'a spot
Keep it on the go

Waitin'
Watchin'
That woman, she's gonna show
I need this little bitty woman
How much you'll ever know...

Ooohhh... Now...

I just need a simple
Where she's hanging out
I promise to make it worth your while
If you mark her out
Name your price and make it fast
Waited much too long
Got that woman on the mind
I'm gonna bring her home

OH YEAH!

Oh I'm lookin'
Lookin'
Searchin' high and low
OW!
Don't want to miss a spot
Keep it on the go

Waitin'
Watchin'
This woman, she gonna show

I need this little bitty woman
How much you'll ever know
Baby, I need you...
How much you'll never know
Lord, I need this little bitty woman
How much you'll never know!

Owww!
