

Chainbreaker

Charlie Hall

All stand applaud, Your Father God
The Maker King who never tires
Who renovates the human hearts
And gives the broken brand new starts

Redeption flowing from His hand
We all can start at life again
Heaven stands to celebrate
For the ones who come today

So come just as you are
Come just as you are

Chainbreaker, Heart Savior
Jesus, the great Redeemer
Life changer, Liberator
Jesus, the great Redeemer

From slavery to bravery
This is the love that reaches deep
And Jesus cross split history
It lit the dark and set us free

Redemption flowing from His hand
We all can start at life again
Heaven stands to celebrate
For the ones who come today

So come just as you are
So come just as you are

Chainbreaker, Heart Savior
Jesus, the great Redeemer
Life changer, Liberator
Jesus, the great Redeemer

You are free, you are free
Yeah, the Son has set you free
Drop your chains, sons and daughters
Come and run in liberty

We are free, we are free
Yeah, the Son has set you free
Drop your chains, sons and daughters
Come and run in liberty

Chainbreaker, Heart Savior
Jesus, the great Redeemer
Life changer, Liberator
Jesus, the great Redeemer

Chainbreaker, Heart Savior
Jesus, the great Redeemer
Life changer, Liberator
Jesus, the great Redeemer
