

Life To Go

Charlie Louvin

I've got a sad sad story friend that I don't like to tell
I had a home and fam'ly when they locked me in this cell
I've been here eighteen years that's a long long time I know
But time don't mean a thing to me cause I've got life to go

Well I went one night where the lights were bright just to see
what I could see

I met up with an old friend who's thought the world of me
He bought me drinks and he took me to every honky tonk in town
Words were said and now he's dead I just had to bring him down

Well it's been a long long time now since I've heard from my wife

Guess I'll be there with her yet if I hadn't used the knife
Well I'll bet that little girl of mine don't realize or know
Her daddy's been here eighteen years still got life to go

Well I'll bet there's not one man outside that's spent this long in jail

I'll be here in this prison till my body's just a shell
No I can't be free to go and see the ones that I love so
I've been here eighteen years still got life to go
