

# I Do I Do

Charlie Mars

Oh I look up to you  
You don't look down on me  
Maybe you could be the one  
Be my honey  
One and one is true  
True as the days of summer  
True as the sad man on my corner  
True blue

Oh you make me wanna say

I do, I do  
I do believe in you  
This much I know is true  
I do

Oh I look up to you  
You don't look down on me  
What do you see in me?  
Is it oceans of blue?  
How do you  
Make the colors say  
In a thousand crazy ways  
That in the end most things will be ok

Oh you make me wanna say

I do, I do  
I do believe in you  
This much I know is true  
Oh its a little grain of sand  
Coming to you from a desperate man  
This much I know is true

Oh you make me wanna say I do

Look at my plan  
It's such a simple plan  
To love you and always be true

I do
