

# Break Again

Charlie Puth

Well, I'm crying  
And I'm dying  
Cause I really thought that you would be the one  
And I tried to  
Stand beside you  
But it was over way before it had begun  
I like to think it's all ok  
And one day you'll come back and stay with me  
Come and stay with me

But now you're gone  
And I don't know if I can carry on (carry on)

I don't wanna hear no love songs  
And I don't wanna see you at all  
Cause I can't afford to have my heart, break again  
I just thought that maybe you'd change  
But you're still the same the same the same  
As you were back then  
I've had enough  
Enough of you  
And I can't let you break my heart again

Lately, everyday now  
I go to bed and sleep my life away 'till four  
Cause I don't know (cause I don't know)  
What it feels like (what it feels like)  
To not wake up and run a mile right to your door

You're still gone  
And I don't know if I can carry on (carry on)

I don't wanna hear no love songs  
And I don't wanna see you at all  
Cause I can't afford to have my heart, break again  
I just thought that maybe you'd change  
But you're still the same the same the same  
As you were back then  
I've had enough  
Enough of you  
And I can't let you break my heart again

Why you gotta break my heart again?  
And I can't keep holding on...

I don't wanna hear no love songs  
And I don't wanna see you at all  
Cause my hearts gonna break again

I've had enough  
Gave it my all  
Just thought you changed  
But I was wrong  
And now that you're gone (now that you're gone)  
You can't break my heart again
