

# I Suck At Writing Lyrics

Charlie Puth

It's 10 p.m. and I am missin'  
My seventh song for December second  
My mind's gone blank  
I cannot think clear  
About the lyrics  
For this damn song here

How do people have the attention span  
To go and do this?  
Two hours in this chair  
I might as well call it quits

It's 12 a.m. and I am so screwed  
Looking up at people falling on YouTube  
Getting so bored to the highest degree  
This must be so easy for Kenny G

How do people have the attention span  
To go and do this?  
Two hours in this chair  
I might as well call it quits

Another sappy love song  
My listeners will be pissed  
I would seriously pay someone  
Right now to go and help me with this

Da da da da da da da  
This is the chorus line  
Da da da da da da da  
I guess no lyrics here sounds fine  
As long as I have a catchy melody  
And some nice chord changes  
So you won't see that  
I suck at writing lyrics

I suck  
At writing lyrics

How do people have enough  
Motivation to go and do this?  
Feels like a day in this chair  
And I haven't written down shit  
Feel like I'm running out of ideas  
For all these pieces  
And every time I try to get done  
Procrastination increases

Da da da da da da da  
This is the chorus line  
Da da da da da da da  
I guess no lyrics here sounds fine  
As long as I have a catchy melody  
And some nice chord changes  
So you won't see that  
I suck at writing lyrics
