

# Light Switch

Charlie Puth

Yeah

Why you callin' at 11:30  
When you only wanna do me dirty?  
But I hit right back  
'Cause you got that-that, yeah  
Why you always wanna act like lovers  
But you never wanna be each others'?  
I say, "Don't look back"  
But I go right back and

All the sudden, I'm hypnotized  
You're the one that I can't deny  
Every time that I say I'm gonna walk away

You turn me on like a light switch  
When you're movin' your body around and around  
Now, I don't wanna fight this (No)  
You know how to just make me want  
You turn me on like a light switch  
When you're movin' your body around and around  
You got me in a tight grip (Yeah)  
You know how to just make me want you, baby

Do you love it when you keep me guessin' (Me guessin')  
When you're leaving then you leave me stressin'? (Me stressin')  
But I can't stay mad when you walk like that, no  
Why you always wanna act like lovers?  
But you never wanna be each others'  
I say, "Don't look back"  
But I go right back and

All the sudden, I'm hypnotized (Hypnotized)  
You're the one that I can't deny (Can't deny)  
Every time that I say I'm gonna walk away (Yeah)

You turn me on like a light switch  
When you're movin' your body around and around  
Now, I don't wanna fight this (No)  
You know how to just make me want  
You turn me on like a light switch (Switch)  
When you're movin' your body around and around  
You got me in a tight grip (Grip)  
You know how to just make me want you, baby

Come on, come on, come on, come on, come on and show me how you do (You do)  
You want, you want, you want, you want, you wanna keep me wantin' you (Me wantin' you, girl)  
Come on, come on, come on, come on, come on and (Hey), show me how you do (How you do)  
You want, you want, you want, you want, you wanna keep me wantin' you

You turn me on like a light switch  
When you're movin' your body around and around  
Now, I don't wanna fight this  
You know how to just make me want to

You turn me on like a light switch  
When you're movin' your body around and around  
You got me in a tight grip  
You know how to just make me want you, baby

Come on, come on, come on, come on, come on and show me how you do (How you do)  
You want, you want, you want, you want, you wanna keep me wantin' you (Wanna keep me wantin' you, baby)  
Come on, come on, come on, come on, come on and show me how you do (You do)  
You want, you want, you want, you want, you wanna keep me wantin' you
