

Finally Found Out

Charlie Rich

You finally found out
What love's all about
The guy who took your love from me
Is now putting you through misery

I'm so happy I can shout
I think I run all over town and shout
You finally found out
What love's all about

Yeah, you finally found out
And now you're feeling blue
Just like you ran away from me
Now he's running around on you

I'm so happy I can shout
I think I run all over town and shout
You finally found out
What love's all about

Yeah, now you're crying
Well, just to keep on crying
Well you won't get no sympathy
Not a bit from me
Go on and cry
Yeah, just to keep on crying
It won't bother me
I'm as happy as a man can be

Yeah, you finally found out
What love's all about
You see the mean things that love can do
You laughed at me and now I'm laughing at you

I'm so happy I can shout
I think I run all over Memphis and shout
You finally found out
What love's all about
Yeah, you finally found out
What love's all about

Yeah, you finally found out
