

# It Ain't Gonna Be That Way

Charlie Rich

You won't even give me the time of day  
But you want me to give you my life

Well, it ain't gonna be that way (Be that way)  
It ain't gonna be that way, babe (Be that way)  
It ain't gonna be that way with me

You want me to give you all my love  
But you won't give your love in return

Well, it ain't gonna be that way (Be that way)  
It ain't gonna be that way, babe (Be that way)  
It ain't gonna be that way with me

You wanna ramble all over this town and you lie  
All you really wanna do is see me cry  
I got news little girl that you ain't gonna win  
'Cause I'll soon find love again

You won't even give me the time of day  
But you want me to give you my soul

Well, it ain't gonna be that way (Be that way)  
It ain't gonna be that way, babe (Be that way)  
It ain't gonna be that way with me
