

Just A Little Bit Of You

Charlie Rich

Just a little bit of you
Goes a long, long way with me
Just a little bit of you
Goes a long, long way with me
Whoa, yeah
Your dripping lips of honey
Brrrr, taste good to me
Whoa, yeah

Well you better tell your mama
And you better tell your pa
That we gonna build a treehouse
Down in Ozark, Arkansas

With just a little bit of you
Goes a long, long way with me
Whoa, yeah
Your dripping lips of honey
Brrrr, taste good to me
Oh, yeah

Well you better tell your mama
And you better tell your pa
That we gonna build a treehouse
Down in Ozark, Arkansas

Just a little bit of you
Goes a long, long way with me
Whoa, yeah
Well your dripping lips of honey
Mmm, taste good to me
Whoa, yeah

Just a little bit of you
Goes a long, long way, with me
