

Party Girl

Charlie Rich

I wish I'd known you're just a party girl (How many hearts did you break this week?)

(Why do you lie every time you speak?)

(Why are there tears runnin' down my cheeks?)

Woah, woah-oooh-woah, I wish I'd known you're just a party girl (How many hearts did you break this week?)

Yeah, you're a party girl, alright (Why do you lie every time you speak?)

Just wanna live it up day and night (Why are there tears runnin' down my cheeks?)

Woah, woah-oooh-woah, I wish I'd known you're just a party girl (Oh, yeah, oh, yeah)

Should've taken your sugar with a grain of salt (Oh, yeah, oh, yeah)

One of these days, you're comin' to a screechin' halt (Oh, yeah, oh, yeah)

Right now you're sayin' you don't care (Oh, yeah, oh, yeah)

But you're gonna wind up playin' solitaire (Oh, yeah, oh, yeah)

And wishin' you had somebody like me there (Oh, yeah, oh, yeah)

Woah, woah-oooh-woah, I wish I'd known you're just a party girl (How many hearts did you break this week?)

Yeah, I wish I'd known if 'fore I fell for you (Why do you lie every time you speak?)

But it's too late now, I don't know what to do (Why are there tears runnin' down my cheeks?)

Woah, woah-oooh-woah, I wish I'd known you're just a party girl (Oh, yeah, oh, yeah)

Hey, party girl, runnin' all over town (Oh, yeah, oh, yeah)

You kiss me one day and the next day you put me down (Oh, yeah, oh, yeah)

And everything I do is wrong in your eyes (Oh, yeah, oh, yeah)

But, one of these days, you in for a big surprise

Woah, woah-oooh-woah, I wish I'd known you're just a party girl (How many hearts did you break this week?)

Yeah, a party girl, that's all you are (Why do you lie every time you speak?)

Wanna live it up day and night and you don't wanna take the time to have to eat a bite (Why are there tears runnin' down my cheeks?)

Oh, yeah, that's what you are (How many hearts did you break this week?)

Just a party girl, mm-hm-

hm (Why do you lie every time you speak?)

What you say? Oh, yeah, you're just a party girl, alright (Why
are there tears runnin' down my cheeks?)

Better settle down, yeah, hm-mm-
mm (How many hearts did you break...?)
