

Sail Away

Charlie Rich

If you're driftin' on an empty ocean
With no wind to fill your sail,
The future, your horizon,
It's like searchin' for the Holy Grail.
You feel there's no tomorrow
As you look into the water below.
It's only your reflection
And you still ain't got no place to go.

Time will show,
When, I don't know.

Sail away tomorrow,
Sailin' far away.
To find it steal or borrow.
I'll be there someday
I'll be there someday

Oh, woman, I keep returnin'
To sing the same old song.
The story's been told, now I'm gettin' old.
Tell me, where do I belong?
I'm feel like I'm goin' to surrender,

It's hard times I've had enough.
If I could find a place to hide my face,
I believe, I could get back up.

Time will show,
When, I don't know.

Sail away tomorrow,
Sailin' far away.
To find it steal or borrow.
I'll be there someday
I will be there, I'll be there someday

Time will show,
When, I don't know.

Sail away tomorrow,
Sailin' far away.
To find it steal or borrow.
I'll be there someday

Sail away tomorrow,
Sailin' far away.
To find it steal or borrow.
I'll be there someday
I will be there, I'll be there someday
I will be there
