

## Ten Dollars And A Clean White Shirt

Charlie Rich

If you should see Jenny, please tell her for me  
I'm not gonna worry no more, no siree  
I'm going to town and try to get over this great big hurt  
I've got ten dollars and I'm wearing a clean white shirt

I'm gonna walk into Joe's and get me a drink  
Let 'em think what they wanna think  
And if I see a pretty girl I might even flirt  
'Cause tonight I'm gettin' over this great big hurt

So if you should see Jenny, just tell her goodbye  
I've cried the last teardrop that I'm gonna cry  
She's cheatin' on me so I'm going to town to get over this hurt  
I've got ten dollars and I'm wearing a clean white shirt

I'm gonna walk into Joe's and get me a drink  
Let 'em think what they wanna think  
And if I see a pretty girl I might even flirt  
'Cause tonight I'm gettin' over this great big hurt

I've got ten dollars and I'm wearing a clean white shirt
