

Down Again

Charlie Robison

Well here I go back down again
The vicious circle never ends
I'm up I'm down I'm up and down
Well here I go back down again
Seems like all I do is wrong

But you stood by me for so long
Nothing's changed except you're gone
Well seems like all I do is wrong

Chorus

Well some folks say I drink too much
I guess I could lay off the stuff
But when I'm low it picks me up
But could be I just think too much

Chorus

Well you show up in all my songs
I guess your memory's just that strong
Just when I think you're finally gone
Well you show up in all my songs

Chorus

I'm up I'm down I'm up and down
Well here I go back down again
Well here I go back down again
