

I Want You Bad

Charlie Robison

Lately it's been drivin' me mad
Cause you're the best thing that I've ever had
And I want you
I want you bad

So come on lets give it a whirl
And we can shake up the whole wide world
And I want you
Oh, I want you girl

I'm all run out of things to do
And I've got no other place but you

Never, no you'll never be sad
I'm gonna make you feel so glad
And I want you
Oh, I want you bad

I'm all run out of things to do
And I've got no other place but you

Thinking I'm gonna lose my head
You know the phone line
Is takin' too much bread
And I want you
Oh, I want you bad
Oh, and I want you,
I want you bad
