It Comes to Me Naturally

Charlie Robison

Well, all around town my name is mud
Well, I can't help it cause it's in my blood
I make no secret it's plain to see
I'll jump on anything that's lookin' good to me

I can't quit it, I can't quit it
Cause it comes to me naturally

Well, I like this one over here and I like that over there
Bring me a dozen, boy, I just don't care
And when I'm finished and I'm all out of breath
Bring me a honey and I'll love her to death

I can't quit it, I can't quit it
Cause it comes to me naturally

Well, open the door and I'll walk right in
There's so much to do and so little time
Lovin' you is all I'm dreamin' of
I tell you the truth I ain't got time to lie

Well, I spend my love around the neighborhood
There's no need to ask me 'cause it's understood
It's just my style and one more thing
Give me your number and I'll give you a ring

I can't quit it, I can't quit it
Cause it comes to me naturally

Well, open up the door and I will stroll right in
There's so much to do and so little time
Lovin' you is all I'm dreaming of
I tell you the truth I ain't got time to lie

Well, I like this one over here, I like that one over there
Bring me a dozen, boy, I just don't care
And when I'm finished and I'm all out of breath
Bring me a honey and I'll love her to death

I can't quit it, I can't quit it
Cause it comes to me naturally
I can't quit it, I can't quit it
Cause it comes to me naturally
