

You're Not The Best

Charlie Robison

Once I had a little girl as pretty as I have known
Lord you know I loved her so and then she left me all
alone
And I swore here on this barstool
I'd never make that mistake again
Well you ain't so fine but you're all mine
And I'll love you till the end
So darling don't you worry cause they
Say that love is blind
Lust has eyes like an eagle
It's gonna drive me out of my mind
Though my eyes sometimes wander
It doesn't mean that I'm untrue
You're not the best but you're the best that I can do
You know a pretty girl she'll leave you
Leave you to drown in your own tears
You know an ugly girl she'll leave you too
But then again who really cares
And then my eyes of blue they cannot be true
They'll have to stay here in my dreams
I guess that's why old Hugh Hefner invented Playboy
magazine
So sit down here beside me girl
And I will tell you what we will do

We're gonna twist them lids and hope
Our kids look more like me than you
And when that bottle is finally empty
We're gonna tumble across the floor
And I'm gonna pray my imagination is
Gonna pull me through once more

So darling don't you worry cause they
Say that love is blind
Lust has eyes like an eagle
It's gonna drive me out of my mind
Though my eyes sometimes wander

It doesn't mean that I'm untrue
You're not the best but you're the best that I can do
You're not the best but you're the best that I can do
