Before You Go

Charlie Simpson

I fell by the wayside
Like everyone else
I hate you I hate you I hate you
But I was just kidding myself
Our every moment
I start to replace
'Cause now that they're gone
All I hear are the words
That I needed to say

When you hurt under the surface
Like troubled water running cold
Well time can heal
But this won't

So before you go
Was there something
I could've said
To make your heart beat better
If only I'd have known you
Had a storm to weather
So before you go
Was there something
I could've said
To make it all stop hurting
It kills me how your mind
Can make you feel so worthless
So before you go

Was never the right time
Whenever you called
Went little by little by little
Until there was nothing at all
Our every moment
I start to replay
But all I can think about
Is seeing that look on your face

When you hurt under the surface
Like troubled water running cold
Well time can heal
But this won't

So before you go
Was there something
I could've said
To make your heart beat better
If only I'd have known you
Had a storm to weather
So before you go
Was there something
I could've said
To make it all stop hurting
It kills me how your mind
Can make you feel so worthless
So before you go

Would we be better off by now
If I'd let my walls come down
Maybe I guess we'll never know
You know you know

Before you go
Was there something
I could've said
To make your heart beat better
If only I'd have known
You had a storm to weather
So before you go
Was there something
I could've said
To make it all stop hurting
It kills me how your mind
Can make you feel so worthless
So before you go
