

# In The Morning

Charlie Straight

Gmi B Cmi B F

Gmi B  
Thousands of leaves are leaving the trees,  
Cmi B F  
may we just go for a ride?  
Gmi B  
Why does it seem just like a dream?  
Cmi B F  
Why do I think we can fly?

Gmi B  
Most of the stars are turning to Mars,  
Cmi Dmi Es F  
Why do I think we can fly?

B Es F B  
In the morning leaves are on the floor,  
B Es F B  
In the morning thieves will shut the door,  
B Es F B Es F  
In the morning who I'm falling for is you.

B Es F B  
In the morning leaves lie on the ground,  
B Es F B  
In the morning you won't hear a sound,  
B Es F B Es F  
In the morning who I wish I found is you.

Gmi B  
Where did you go? Wind starts to blow.  
Cmi B F  
Where will you stay for the night?  
Gmi B  
I'm walking home clutching my phone.  
Cmi B F  
Would you come back if I smiled?

Gmi B  
Most of the trees are leaving the leaves,  
Cmi Dmi Es F  
Why do I think we can fly?

B Es F B  
In the morning leaves are on the floor,  
B Es F B  
In the morning thieves will shut the door,  
B Es F B Es F  
In the morning who I'm falling for is you.

B Es F B  
In the morning leaves lie on the ground,  
B Es F B  
In the morning you won't hear a sound,  
B Es F B Es F  
In the morning who I wish I found is you.
