

# Love Factory

Charlie Straight

**Emi Hmi G A**

**C**

I didn't sleep tonight,

**Emi Hmi G A Emi Hmi G A**

so what did I do?

**C**

Did I have a fight?

**Emi Hmi G A Emi Hmi G A**

I mean for you

**C**

I'm so afraid to lose you,

**A**

All these words confuse you, darling

**Emi Hmi C Es**

That night I went with you, my friend

**Emi Hmi C Es**

And I'll keep going till the end

**Ami**

Your hand meets mine, we're out of time

**C**

**D**

Love factory, that's where she works

**G A**

Take a look at all the girls and trains

**C D**

Love factory helps when it hurts

**G A**

Heals the pain but all the scars remain

**C D**

Love factory, that's where she works

**G A**

Take a look at all the girls and trains

**C D**

Love factory helps when it hurts

**Emi**

Heals the pain but all the scars remain

**C**

Was it just a dream?

**Emi Hmi G A Emi Hmi G A**

It seems too real

**C**

I love it when you scream

**Emi Hmi G A Emi Hmi G A**

- that's what I feel

**C**

What a cruel illusion

**A**

In my mind confusion, darling, yeah

**C**

**D**

Love factory, that's where she works

**G**

**A**

Take a look at all the girls and trains

**C** **D**

Love factory helps when it hurts

**G** **A**

Heals the pain but all the scars remain

**C** **D**

Love factory, that's where she works

**G** **A**

Take a look at all the girls and trains

**C** **D**

Love factory helps when it hurts

**Emi**

Heals the pain but all the scars remain

**C D Emi**
