

Running Up

Charlie Straight

A Asus4 Ami Asus4
I'm running up the hill again
A Asus4 A
I won't give up my favourite game
A Asus4 Ami Asus4
I'm moving fast, can hear my veins
A Asus4 A
From all the past the dust remains

A Asus4 Ami Asus4
My feet are sore, my body's wet
A Asus4 A
She still wants more, I'm still not dead
A Asus4 Ami Asus4
I'm running up the stairs to you
A Asus4 A
I'll never stop 'cause I'm like you

Dmi G Ami
Can't you see where the rivers flow?
Dmi G Ami
She's with me, you should know
Dmi G Ami F
To the sea, that's where I would go
Dmi F Ami
And dive in

A Asus4 Ami Asus4
I touch the wind and feel the sun
A Asus4A
Did I begin to have some fun?
A Asus4 Ami Asus4
The slope is too steep, the wind too cold
A Asus4 A
I start to weep, your arms unfold

Dmi G Ami
Can't you see where the rivers flow?
Dmi G Ami
She's with me, you should know
Dmi G Ami F
To the sea, that's where I would go
Dmi F Ami
And dive in
Dmi F Ami
And dive in
Dmi Ami Dmi Ami
