

Come Into My Love Life

Charlie Wilson

Here we go

Don't you I love you, got to have you
Baby, don't you know you're all I need
Girl, you know I want you, mm-hmm
Come into my love life

Don't you I love you, got to have you
Baby, don't you know you're all I need
Girl, you know I want you
Come into my love life

Every time I see ya, I wanna know
Baby, can I please ya, gotta show
The love I have inside, I'm satisfied
Every day is special when you're near
I gotta tell you, love is here
Waiting for you, come into my love life, yeah

Don't you I love you, got to have you
Baby, don't you know you're all I need
Girl, you know I want you
Come into my love life

Don't you I love you, got to have you
Baby, don't you know you're all I need
Girl, you know I want you
Come into my love life

People say I'm crazy lovin' you
But you're still my baby, 'cause you do
Everything I like, every night, yeah
No one else can make me feel this way
No one else can make me proud, you see
I can love you always forever and a day
Yeah, ow!

Don't you I love you, got to have you
(Gotta have you, baby)
Baby, don't you know you're all I need
(Oh, baby)
Girl, you know I want you
(Don't you know I want you, baby)
Come into my love life
(Oh....)

Don't you I love you, got to have you
(You, gotta have you, baby)
Baby, don't you know you're all I need
(Oh, don't you)
Girl, you know I want you
(Yeah, you know I want you, baby)
Come into my love life
(Love life)

Here we go

(Oh...)

Don't you I love you, got to have you
(Don't you, gotta have you, baby)
Baby, don't you know you're all I need
(You're the only one, baby)
Girl, you know I want you
Come into my love life
(Come on, come on, come on, yeah)

Don't you I love you, got to have you
(Love you, got to have you, baby)
Baby, don't you know you're all I need
(You're all I need)
Girl, you know I want you
(Girl, you're all I want)
(Girl, you're all I need, baby)
Come into my love life
(Come on, come on, come on)
(Come on, come on...)
