

# Good Time

Charlie Wilson

Mr. Worldwide checkin' in  
I just wanna say, Charlie Wilson  
It's a true honor  
I appreciate the love  
Now let's show the whole world  
How to have a good time  
Ha ha  
Roll with it

Everybody's workin' hard for the weekend  
And we're spendin' it all, yeah  
When tomorrow comes  
You know that you can sleep in  
So you know that it's on, baby

Do what you wanna do  
Go where you wanna go  
Move how you wanna move  
Everybody, body  
Drink what you wanna drink  
Step how you wanna step  
Love who you wanna love  
Everybody have a good time

Good time  
Good, good time  
Good time  
Everybody have a good time  
Good time  
Good, good time  
Good time  
Everybody have a good time

Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, everybody have a good time

Wanna make this night a night to remember  
Come on get off the wall (get off the wall)  
Doin' anything you want  
What's your pleasure?  
We can go all night long, baby

Do what you wanna do  
Go where you wanna go  
Move how you wanna move  
Everybody, body  
Drink what you wanna drink  
Step how you wanna step  
Love who you wanna love  
Everybody have a good time

Good time  
Good, good time  
Good time  
Everybody have a good time

Good time  
Good, good time  
Good time  
Everybody have a good time

Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, everybody have a good time

You can bet that it's the right here  
Turn you right and show you the time of your life  
You can bet, you can bet  
That I'll have you doin' things that are wrong  
Makin' 'em feel right  
That's right  
You can bet, you can bet  
You can say that you won't  
But you will  
And I know just what you want to feel  
You can bet, you can bet  
I'll take away that depression  
With sweet lust, hot passion, and deep pressure  
Have a good time girl  
You can bet that  
Little thing between your legs  
I'm gonna wet that  
No I won't sweat that  
But I'll get that  
Matter fact lay back  
Let me lick that  
Let me pl-pl-play with that little kitten  
Momma there's no point  
Don't fight the feelin'  
There's absolutely nothin' wrong with a little sinnin'  
You can't change up on your game in the 9th inning  
Ha ha

Good time  
Good, good time  
Good time  
Everybody have a good time  
Good time  
Good, good time  
Good time  
Everybody have a good time

Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, yeah, yeah, yeah  
Oooh, everybody have a good time
