

I Found My Baby

Charlie Wilson

I've been waiting
Ooh-wee (Put it in, put it in)
Come on in, baby (Put it in, put it in)
Ooh-wee (Ooh, ooh)
Ooh-oh, [?]
Oh-oh, ooh-wee (Ooh, ooh, Once again)

Yeah

I found my baby
I found my love
I found my baby
I found my love

I've been searching for such a long time
For someone like you to fill this heart of mine
I've been waiting, girl, for so long
For a lover like you to come along
Yes, I have, baby
You are always on my mind, girl
And I think about you all the time
'Cause you're always on my mind
I don't want to live without your lovin'
Because without that loving, girl
I'd be nothing, nothing, ohh

I found my baby (Yeah, oh)
I found my love (Oh)
I found my baby
I found my love (Oh)

Come on in, girl, and have a seat
Take your shoes off and let me massage your feet
Girl, I know just, just what you want
And I know just what you need
So baby, baby, please
Let me show you a real good time
A candlelight dinner and a glass of wine (Glass of wine, baby)
Turn the lights down low and let's take it slow
Now that I have you here, baby
I'm never gonna let you go

I found my baby
I found my love (Found my baby, yeah)
I found my baby (Found my baby, found my baby, found my baby, [?])
I found my love
Ooh-wee, never gonna let you go!
Ooh-wee, I'm never gonna let you go, ooh-wee, baby
I found my baby
I found my baby, baby, oh
I found my baby
[?], ooh-wee, baby, what you want to get you home? Oh-oh-oh
I found my baby
[?], ooh-wee, ooh-wee, oh-no-no-no-no-dun-dun-dun-dun, baby
I found my baby
Found my baby, found my baby, yeah
I found my love

Found my lover, found my lover, she's a sweetheart, yeah
I found my baby
I found my baby, found my baby, yeah
I found my love
Oh, yeah
I found my baby
Baby, [?], yeah
I found my love

I found my baby
You, yeah
I found my love
Never gonna let you, never gonna let you go!
I found my baby
Ooh-wee
I found my love
Never gonna leave, gonna never let you go, baby
I found my baby
Something that I did, never gonna let you-
I just get a taste and I got you in my blessing, yeah
I found my baby
Nah-nah, ooh-wee
I found my love
Oh
I found my baby
Ooh-wee, baby
I found my love

I found-
