

No Stoppin' Us

Charlie Wilson

You looking good mamacita
(Yeah yeah)
I been in love since I seen't ya
(Yeah yeah)
And on a scale of one to ten
You a number that the world can't comprehend

What you drinkin' sangria?
(Yeah yeah)
I see you moving ballerina
(Yeah yeah)
You take me higher than a plane
Got me tipsy on your love like sweet champagne

Let's keep the music playing
While we dance all night
Never letting go because there

Ain't no stoppin' us now
(No stoppin' us)
We're feeling good
And as long as you're here with me
Everyday gon' be a birthday party
Ain't no stoppin' us now
(No stoppin' us)
They wish they could
Turnin' up here on the floor
And there ain't no stoppin' us now

I'll take you down to acapulco
(Yeah yeah)
And we can get a lil loco
(Yeah yeah)
Lay on the beach, don't need no plans
Kick back all day with my feet in the sand

And mommy gets all my dinero
(Yeah yeah)
She turning heads in that sombrero
(Yeah yeah)
From mexico to the cali sun
Having fun and the best is yet to come

Let's keep the music playing
(Keep it playing yeah)
While we dance all night
(Dance all night)
Never letting go because there

Ain't no stoppin' us now
(No stoppin' us)
We're feeling good
And as long as you're here with me
Everyday gon' be a birthday party
Ain't no stoppin' us now
(No stopping us no)
They wish they could

Turnin' up here on the floor
And there ain't no stoppin' us now

(Oh)
Keep the music playing
(Oh)
Keep on celebrating
People all around the world, let's make a toast
To the one you love
(The one you love)
The most

There ain't no stoppin' us now
(No stoppin' us)
We're feeling good
And as long as you're here with me
Everyday gon' be a birthday party
Ain't no stoppin' us now
(No stoppin' us)
They wish they could
Turnin' up here on the floor
And there ain't no stoppin' us now

(Ain't no, ain't no)
Ain't no stoppin' us now
(No stoppin' us)
We're feeling good
(Ain't no, ain't no)
And as long as you're here with me
Everyday gon' be a birthday party
(Ain't no, ain't no)
Ain't no stoppin' us now
(No stoppin' us)
They wish they could
Turnin' up here on the floor
And there ain't no stoppin' us now
