

# Oooh Wee

Charlie Wilson

Oooh wee  
Oooh wee  
Ah oooh wee  
Ah oooh wee  
Yeah, yeah

I used to say that I'll never fall in love again  
But day by day when I'm with you I'm so this slept in  
And now I know my heart has a mind of its own  
That mind is blown

Uh baby girl are you so fine  
And the way that you look at me  
Makes me yours and makes you mine, yeah yeah  
Uh when I look into your eyes  
I see the possibilities of us and know it's so divine  
All I can say is

Oohh wee, oooh wee  
Oh we can rock it up into the sky  
Oooh wee ,oooh wee  
Imagine you and me and our desires  
Can take you super high  
'Cause you know baby girl you're fine  
I can't help but say  
Ooh wee girl

Now we're alone  
Ain't no tellin' where this thing could do  
As it all unfold  
You're the car kite of a show  
Don't worry be yourself  
'Cause I want you and nobody else  
Just like you are I swear, yeah

Uh baby girl are you so fine  
And the way that you look at me  
Makes me yours and makes you mine  
Uh when I look into your eyes  
I see the possibilities of us and know it's so divine

Oooh wee, oooh wee  
Oh we can rock it up into the sky  
Oooh wee, oooh wee  
Imagine you and me and our desires  
Can take you super high  
'Cause you know baby girl you're fine  
I can't help but say  
Oooh wee girl

There's only two words to describe  
The feeling I get inside  
And girl the words ain't all mine  
When I say you, I say it every time  
Ooh wee girl  
Ooh wee girl

Oohh wee ohh wee  
Oh we can rock it up into the sky  
Wee ooh wee, wee ooh wee  
Imagine you and me and our desires  
Can take you super high  
'Cause you know baby girl you're fine  
I can't help but say  
Ooh wee girl

Oooh wee, ooh wee  
Oh we can rock it up into the sky  
Oooh wee, oooh wee  
Imagine you and me and our desires  
Can take you super high  
'Cause you know baby girl you're fine  
I can't help but say  
Oooh wee girl  
Oooh wee girl

Ooh wee, ooh wee  
Oh we can rock it up into the sky  
Oooh wee, oooh wee  
Imagine you and me and our desires
