

Realize

Charlie Wilson

Hmm-hmm, hm
Hmm, hmm-hmm, hmm-hmm-hmm
Hmm

Realize I need your lovin' (Hmm)
Kissin' and your huggin'
Baby, that's all I had to do was just realize
Baby, I realize that I'm your lover (Hmm)
You don't need no other lover (Yeah)
'Cause no one else could do this, baby, realize

Sometimes when we show love
It feels so good to me
Sometimes when I feel love
It's pure ecstasy
So that's why I'm tellin' you
I am the one you need
Girl, you've got the best of me
Don't you know, I love you so? I can't ever let you go

Realize I need your lovin' (Yeah)
Kissin' and your huggin'
Baby, that's all I had to do was just realize (Tellin' you, baby)
Baby, I realize that I'm your lover (Yeah)
You don't need no other lover
'Cause no one else could do this, baby, realize

Sometimes when we make love
I feel just like a king, uh
I won't ever give up
Love so good, love so good to me

Realize I love you
Realize I love
Realize I need you
Realize I do (Ohh)

Realize I need your lovin' (Ohh, ho-ho, yeah)
Kissin' and your huggin' (Oh yeah)
Baby, that's all I had to do was just realize (Shaba-daba-doo, doo, doo)
Baby, I realize that I'm your lover (Yeah)
You don't need no other lover (Ooh, baby)
'Cause no one else could do this, baby, realize (Come to me and I'll show yo
u)
Realize I need your lovin' (Do)
Kissin' and your huggin' (Kissin' and huggin')
Baby, that's all I had to do was just realize (Love is filled with ecstasy,
baby)

You don't need no other lover
'Cause no one else could do this, baby, realize

Realize that I love you so
Come on, uh
You know, talkin' to you, baby
Mmm, love is blind
Could you feel it?

It's pure ecstasy

Realize I love you

Realize I love

Realize I need you

Realize I'm yours

Realize I need your lovin' (Yeah, ho-ho)

Kissin' and your huggin' (Good baby)

Baby, that's all I had to do was just realize (Oh, ohh, yeah)
