

This Is My Prayer

Charlie Wilson

This is my prayer, oh-ho
Oh, this is my prayer (The prayer)
Our Father, who art in heaven
Hallowed be thy Name (Ohh)
Thy kingdom come
Thy will be done
On earth as it is in heaven (This is my prayer)
As it is in heaven, as it is in heaven (This is my prayer)
As it is in heaven, as it is in- (The prayer)
Oh, somebody pray for me
While I pray for you, ohh, yeah
Hey, hey, oh-ho, oh-ho
This my prayer, this is my prayer, yeah
Oh, somebody pray for me
While I pray for you
Somebody pray for me
While I'm prayin' too
Somebody pray for me
While I'm prayin' too
Somebody please for my prayer
Somebody pray for me, oh yeah

Heavenly Father
I'm just a man
Livin' in a day
Of the open hand
And mice that are close to
The truth that tests of time
And the ways that's straight and narrow
(Too many lies) Too many lies (Too many lies), oh yeah

I wanna be a messenger
A voice that You can understand
That the Creator of us all
Truly has a master plan

This is my prayer (My prayer), that's a world that's so unfair (Ooh)
Didn't see the light (See the light) as I do (As I do, ohh)
This is my prayer (My prayer), that a world becomes aware
This is my prayer (This is my prayer) to you (Sing it)

I'm a believer
Who He can
Take us to a place
Called the Promised Land
Where we can be totally free
To serve You faithfully, ohh, Lord
I come to the throne on my knees
Master, Master, grant us peace (Oh yeah)

I'm lookin' to Your guidin' light (Guidin' light)
To shine Your wisdom through the dark (Through the dark)
I'll be the witness (I'll be the witness) of the love (Of the love)
That touches each and every heart, oh yeah

This is my prayer (My prayer), that a world that's so unfair (Ooh)
Didn't see the light (See the light) as I do (As I do, ohh)

This is my prayer (My prayer), that a world becomes aware
This is my prayer to you (Oh-ho)
This is my prayer (My prayer), that a world that's so unfair (Ooh)
Didn't see the light (See the light) as I do (Ohh, yeah)
This is my prayer (My prayer), that a world becomes aware
This is my prayer to you (Ohh)

I wanna be a messenger
A voice to help them understand
That the Creator of us all
Truly has a master plan, oh yeah

Lord move, hey, hey, yeah
This is my prayer, this is my prayer
Oh yeah
Oh, oh
This is my prayer, my prayer
My prayer, ohh, no, no

This is my prayer (Help me), that a world that's so unfair (Help me)
Didn't see the light as I do (Help me, Lord, help me, Lord)
This is my prayer (My prayer), that a world becomes aware
This is my prayer to you (Oh-ho, yeah)
This is my prayer (Ho, woah, yeah), that a world that's so unfair (Ho, ho)
Didn't see the light (See the light) as I do (As I do, ohh)

This is my prayer to you (I'm so tired right now)

Let me fall down my knees
Somebody help me, please
Livin' my prayer, no, no, no
Preachers, keep on preachin'
Teachers, keep on teachin', oh, all the lost, no, no
Ho-ho, yeah, ohh
I'm so tired, I gotta get down on my knees
Somebody please pray for me, yeah, yeah
Oh, Lord, oh, Lord
This world is so unfair
