

You Turn My Life Around

Charlie Wilson

Ooh
Shaba-daba-di-di
Ooh
You turnin' my life around

I never thought I fall in love
But, I'm fallin' deeper
Oh, you got me feelin' like I wanna hold you
And I would never leave your side, in you I can defy
Livin' seems like a mental dreamwork
Thinkin' of you, baby
Oh, you change my mind and open my heart, girl
And I will always be your man, don't you understand?

You turn my life around
You never let me down
You turn my life around
It's all about you (You), change my life, girl
You turn my life around
You never let me down
You turn my life around
It's all about you (Mm-hmm)

Baby, don't you know I really love you? (Ohh)
So don't worry (Worry), baby
Oh, 'cause ever since we been together, honey
I could truly say that God has been so good to me, yes, he has

'Cause what's inside
I can't deny it, baby give
For as long as I shall live
I'll be spendin' all my life with you (Ohh)

You turn my life around
You never let me down
You turn my life around
It's all about you (You)
You turn my life around
You never let me down
You turn my life around (Baby)
It's all about you (You, you, you, you)

You
Oh-woah
Ooh, baby
Right now, no, no, oh yeah
Ooh-wee
M-m-m-m-my, m-m-m-m-my baby, b-b-ba-baby
M-m-my mind whenever I fall in love with you, baby, yeah

It's what's inside (Ohh, yeah)
I can't deny it, baby (Yeah)
All the love I got to give (Give)
For as long as I shall live (Live)
I'll be spendin' all my life with you (Ohh)

You turn my life around

You never let me down
You turn my life around
It's all about you (You, ooh, ooh)
You turn my life around (Yeah)
You never let me down
You turn my life around ('Cause you turn my life around, woah)
It's all about you (Woah, yeah, ohh)
You turn my life around
You never let me down
You turn my life around
It's all about you (Ooh-wee)
You turn my life around
You never let me down (Yes, you did)
You turn my life around (Oh, it's somewhere deep inside)
It's all about you (Girl, you me, ooh, yeah)
You turn my life around
You never let me down
You turn my life around
It's all about you, you
You turn my life around (Yeah)
You never let me down
You turn my life around
