

Algorithm

Charlie Winston

I'll be your algorithm
Follow your body and
Watch every way you move
I'll be your algorithm
Your algorithm

I'll be your algorithm
Every step you take
Every choice you choose
I'll be your algorithm
Your algorithm

Maybe you got a lot of followers
But that don't mean much to me because
All they're doing is clicking their fingers
But they're never gonna know your universe

I'm gonna give you what you need
You don't know, but I already sowed the seed
Spend time in my everlasting feed
We were made for each other

I'll be your algorithm
Follow your body and
Watch every way you move
I'll be your algorithm
Your algorithm

I'll be your algorithm
Every step you take
Every choice you choose
I'll be your algorithm
Your algorithm

You know, you got a lot of likes in your last post
The new app had you made up
Your portrait all pimped up
A new you looking souped up

There was love in emojis
How I love you so deeply
Our connection is growing so sweetly
On days when you're low
I can show you the world
I'm starting to know you completely

I'll be your algorithm
Follow your body and
Watch every way you move
I'll be your algorithm
Your algorithm

I'll be your algorithm
Every step you take
Every choice you choose
I'll be your algorithm
Your algorithm

I'll be your algorithm
I'll be your algorithm

When you're home alone
I'll be there for you on the telephone
Nobody called tonight
But worry not love, it'll be alright
I know it's hard for you
To always feel love the way you want to
But I'm here for you
I'll always be here for you

I'll be your algorithm
Follow your body and
Watch every way you move
I'll be your algorithm
Every step you take
Every choice you choose

No terms, no conditions
I'll be your algorithm
You'll be my new religion
Your algorithm

Your algorithm
I'll be your algorithm

I'll be, I'll be, I'll be there for you
I'll be, I'll be, I'll be there, your algorithm
I'll be, I'll be, I'll be there for you
I'll be, I'll be, I'll be there
Be your algorithm
