

# I Don't Wanna Go Downtown

charlieonnafriday

Alright, let's try it again  
One, two, one, two, three  
Mmm—mmm  
I don't wanna go downtown  
Yeah, yeah

There's a line out the door, all my homies coming through  
Bringing bottles to the table, bringing girls by the two  
Yeah, they're blowing up my phone, sayin', "Boy, where you been  
?"  
'Cause I usually ain't the type to have a night and keep it in  
Everyone around me knows I got a reputation  
I been kicked out, thrown down on the pavement  
But looking at you now, girl, you make me wanna change it  
I've been thinking

I don't wanna go downtown  
Chasing the neon lights  
I just wanna stay with you tonight  
I just wanna trade them bars  
I'll live for your best side  
I don't want no brown liquor if I got your blue eyes  
Girl, you hold me down  
So as long as you're around  
I don't wanna go downtown

Yeah, girl, you get me higher than a by-way of smoke  
Yeah, your body get me drunk like a Jack and Coke  
Yeah, I could make some plans, but I'd end up leaving  
You're the reason

I don't wanna go downtown  
Chasing the neon lights  
I just wanna stay with you tonight  
I just wanna trade them bars  
I'll live for your best side  
I don't want no brown liquor if I got your blue eyes  
Girl, you hold me down  
So as long as you're around  
I don't wanna go downtown
