

# Lonely With Our Love

Charlotte Cardin

The gap between us growing wide  
Was bound to happen over time  
We live our lives in parallel  
So I really hope this finds you well

Different natures, different nights  
You'll have yours, and I'll have mine  
When all our plans have gone to hell  
And you're not here for me to tell

That it's all good until it's not  
And I'm lonely with our love  
It's not mine, it's not your fault  
That I'm lonely with our love  
It wouldn't be worth it if it wasn't this hard  
There wouldn't be starlight if it didn't get dark  
But it's all good until we're lonely with our love  
Lonely with our love

So used to being without you  
I can't sugarcoat this honeymoon, no  
It's not what I signed up for  
Are we even happy anymore?

Oh, and it's all good until it's not  
And I'm lonely with our love  
It's not mine, it's not your fault  
That I'm lonely with our love  
It wouldn't be worth it if it wasn't this hard  
There wouldn't be starlight if it didn't get dark  
But it's all good until we're lonely with our love  
You know we're lonely with our love

It's not what I signed up for  
Are we even happy anymore?

It's all good until it's not  
And I'm lonely with our love  
It's not mine, it's not your fault  
That I'm lonely with our love  
It wouldn't be worth it if it wasn't this hard  
There wouldn't be starlight if it didn't get dark  
And it's all good until we're lonely with our love  
You know we're lonely with our love  
Lonely with our love  
Lonely with our love

Mmm, it's all good until we're lonely with our love
