

Easy To Forget

Charlotte Church

It's late at night and you're not home
I'm still waiting for your call
But it never, it never comes
Do you ever think of me?
Can you hear my empty plea
For your love and affection?

I'll never know, I'll never know
Why I can't let go?
It's what you do and not what you say
That keeps you one step away

Am I that easy to forget?
If only you'd make one sacrifice
Do what it takes to make it alright
Am I that easy to forget?

I'm standing in the bitter cold
Wish that you were here to hold
'Cause I miss you, the way you used to be
Am I in this love alone?
When I speak, the words just fall
And you listen but not to me

I'll never know, I'll never know
Why I can't let go?
It's what you do and not what you say
That keeps you one step away

Am I that easy to forget?
If only you'd make one sacrifice
Do what it takes to make it alright
Am I that easy to forget?

I'll never know, I'll never know
Why I can't let go?
It's what you do and not what you say
(Not what you say)
That keeps you one step away

Am I that easy to forget?
If only you'd make one sacrifice
(One sacrifice)
Do what it takes to make it alright
Am I that easy to forget?

Am I that easy to forget?
Am I that easy to forget?
