

# How Not To Be Surprised When You're A Ghost

Charlotte Church

Nothing will be as it seems  
Those rivers houses and trees  
Are not the same once that your new  
But they still tug at your heart  
The memory of your heart  
You musn't let it get you down  
You musn't let it get you down  
You musn't let it get you down

This is how not to be surprised when you're a ghost

Your love from years before,  
Who got here before you  
Will love you like she did back then  
Your love who knelt by your side  
Will soon be here with you  
It's up to you to sort it out,  
we hope that you can sort it out,  
you musn't let it get you down

This is how not to be surprised when you're a ghost  
This is how not to be surprised when you're a ghost

Just think what you can get done  
There's no timing  
You can put to bed, everyone  
Each thing that you left untied  
If your of a mind to do it  
If your of a mind to do it right  
If you love 'em you should do it  
If you love 'em you should do it right  
See the way she hides behind her hair  
If you love her you should tell it right  
If you ever said life isn't fair  
This could be your chance to get it right

This is how not to be surprised when you're a ghost
