The Man With The Child In His Eyes

Charlotte Church

I hear him before I go to sleep And focus on the day that's been I realize he's there when I turn the light off And turn over Nobody knows about my man They think he's lost on some horizon And suddenly I find myself Listening to a man I've never known before Telling me about the sea All his love, 'til eternity

Ooh, he's here again The man with the child in his eyes Ooh, he's here again The man with the child in his eyes

He's very understanding And he's so aware of all my situations And when I stay up late He's always waiting But I feel him hesitate Oh, I'm so worried about my love They say "No, no, it won't last forever" And here I am again my girl Wondering what on earth I'm doing here Maybe he doesn't love me I just took a trip on my love for him

Ooh, he's here again The man with the child in his eyes Ooh, he's here again The man with the child in his eyes
